Dr. John “Doc” Jennings (1951–2016), an inseparable friend to Shangri-La owner Eddy Gibbs, was the ultimate caregiver to his friends, family, patients, and thousands of television viewers. An avid golfer, Doc made his final trip to Shangri-La when ground broke for the hotel. Always unselfish with his time and attention, Doc loved life and lived it to its fullest. The world is a better place for his contributions.

Cheers!
